

County a concrete bridge for the free travel of the public over Mattawoman Creek on the road leading from Acton's Crossing in Charles County to Asbury Church in Prince George's County, and the cost of the construction of said bridge including the abutments and approaches thereof and the securing of any necessary land shall be borne equally by the County Commissioners of Charles County and by the County Commissioners of Prince George's County, and the said Commissioners of each of said counties are hereby authorized and directed to levy against the assessable property of their said counties an amount not to exceed five hundred dollars to defray their half of the expenses of building said bridge.

1916, ch. 484, sec. 2.

29. The Commissioners of Charles County and the Commissioners of Prince George's County are hereby constituted a joint commission for the purpose of constructing said bridge, and they are authorized and directed to proceed to organize as such Commission as soon as possible after the passage of this Act, and they are further authorized and empowered to do all things necessary for the purpose of building a safe and durable concrete bridge over said Mattawoman Creek at said point.

1916, ch. 484, sec. 3.

30. The cost of maintaining said bridge after the same shall be built and the cost of keeping it in safe repair and in condition for public use and travel shall be paid in equal portions by the County Commissioners of Charles County and the County Commissioners of Prince George's County; and they are each hereby authorized to levy upon the assessable property of their respective counties such sums of money as may be necessary from time to time to defray costs in the proportions as aforesaid. The actual keeping in repair of said bridge during the first five years of its construction shall be done by the road and bridge authorities of Prince George's County, and a bill for one-half of the cost thereof shall be rendered to the County Commissioners of Charles County, who shall pay the same; for the next five years the actual work shall be done by the road and bridge authorities of Charles County, and a bill for one-half of the costs shall be similarly rendered to the County Commissioners of Prince George's County who shall pay the same, and so alternating each five years the actual work shall be done by the road authorities of one of the said counties and a bill for one-half of the costs thereof rendered to the other county.

1920, ch. 591.

31. The Road Commissioners of Prince George's and Charles Counties or the duly constituted authorities of said Prince George's and Charles Counties, as the case may be, be and they are hereby authorized, empowered and directed to erect a bridge, in their discretion, either wood, iron or concrete, over Swanson's Creek, commonly called "The County Run," on the public road leading from Aquasco to Malcolm.
