1920, ch. 36, sec. 5.

200. Upon the annual road fund for Charles County, which shall be levied for the year 1920, and during each succeeding year, the Board of County Commissioners, or the duly constituted road authorities for said county, shall issue a warrant upon the treasurer of said county, for one-half of such sum as may be collected upon the taxable property within the corporate limits of the town of La Plata, for road purposes; which said warrant shall be payable to the Town Commissioners of La Plata, and shall be expended by them for street and road improvement within the limits of said town.

See sec. 188.

WATER.

1927, ch. 300, sec. 7.

201. Upon the completion of said water supply system, the said Water Supply Commission shall turn over to the Town Commissioners of La Plata the said water supply system, and any funds from the sale of said water bonds remaining after the construction and equipment of said system shall be used for the redemption of said bonds as they mature and become payable. The said Town Commissioners shall have full charge of the operation, management and maintenance of the said water supply system, including the power to make contracts, to purchase material, employ all such assistants (skilled or unskilled), and labor as may be necessary for the proper operation of said water supply system, to make such rules and regulations for the management of said water supply system as they may deem proper; to make extensions, additions or improvements to said water supply system; and to fix and revise rates or charges for the use of water and to determine the terms and conditions upon which water will be furnished to the residents of La Plata or vicinity. Provided, however, that nothing in this Act contained is intended or shall be taken or construed as relieving the Town Commissioners of La Plata from any and all provisions of Sections 346 to 418, inclusive of Article 23 of the Annotated Code of Maryland (1924 Edition), known as the Public Service Commission Law, or any amendments thereto.*

202. Vacant.

1927, ch. 300, sec. 8.

203. The said Town Commissioners are hereby directed and required to apply all revenues from the water supply system for paving the expenses of properly keeping up and operating said water supply system and to use the surplus, if any remains, for the payment of interest and for

*The other sections of ch. 300, 1927, authorized \$40,000 of bonds and created commission to construct water supply system upon approval of loan by voters.
