

1914, ch. 563, sec. 24.

542. The Corporation shall assume the supervision of all public highways in said town to keep the same repaired and they shall have power to repair, widen or extend the same, lay out new streets and open the same, condemn rights of ways or acquire the same by purchase, assess damages in the premises and pay the same out of any moneys in the treasury not otherwise appropriated, according to the laws of the State of Maryland, in such cases made and provided, whenever in their judgment the general good of the town and the condition of the treasury shall justify such proceedings.

1914, ch. 563, sec. 25. 1916, ch. 28, sec. 25.

543. The Commissioners of said town shall not expend nor contract to expend in any one year, more money than the amount receivable by the corporation from taxes and other sources for that year.

See sec. 544.

1914, ch. 563, sec. 26. 1927, ch. 95, sec. 26.

544. The Commissioners of said town shall not expend nor contract to expend, in any one year, more money than the amount receivable by the corporation from taxes and other sources for that year.

See sec. 543.

1914, ch. 563, sec. 27. 1927, ch. 438.

545. The County Commissioners of Dorchester County, in each and every year, shall pay to the Commissioners of Vienna to be used and applied by the said Commissioners of Vienna for the corporate purposes of said town of Vienna the sum of seven hundred and fifty (\$750.00) dollars.

1929, ch. 168.

546. The Commissioners of said town shall publish an annual statement setting forth the amounts of receipts and expenditures of said town for that year, and such statement may be published either by advertisement in some newspaper published in Dorchester County or by handbills posted at conspicuous places in said town. Such statement shall be so published for each year not later than sixty days following the general levy made for the next succeeding year.

WATER.

1922, ch. 423, sec. 1.

547. "The Commissioners of Vienna" are hereby authorized, empowered and directed to design, construct and own a water supply system for the town of Vienna, including wells, intakes, purification works, reservoirs, pumping stations, elevated tanks, distribution mains and all required appurtenances both within and without the corporate limits of the town, as "The Commissioners of Vienna" may deem necessary; to main-
