

supply of water in the town of Brunswick, whether such real estate, right of way, easement, water right, spring, brook, water or watercourse, earth, timber, stone, or other material be within or without the State of Maryland.

If the said Mayor and Council cannot agree with any owner or owners of any such real estate, right of way, easement, spring, brook, water or watercourse, earth, timber, stone or other material, if the same be within the State of Maryland, or if there be any incapacity or disability to contract on the part of such owner or owners, or if such owner or owners be absent, out of the State of Maryland or unknown, it shall be lawful for said Mayor and Council to acquire by condemnation any such real estate, right of way, easement, water right, spring, brook, water or watercourse, earth, timber, stone or other materials which they may deem necessary, in the same manner and by the same proceedings as now provided in condemnation by corporations, under Chapter 117 of the Acts of the General Assembly of 1912.

And the said Mayor and Council shall have and are hereby invested with full power and authority to enact and pass all ordinances, which from time to time they may deem necessary and proper to effect the objects herein specified, and to regulate the introduction and use of said water and improvements, and for the protection and preservation of its works, machinery and property connected therewith.

1918, ch. 109, sec. 3. 1918 Code, sec. 69.

51. In case of the purchase of any stock in any water company formed under the laws of this State or of any other state in the United States which shall have for its object the furnishing and supplying of water to the town of Brunswick, as herein provided, the Mayor and Council of Brunswick shall take all of the stock in such water company except such shares as may be necessary to allot to citizens of the United States to qualify them as directors to act as such in any such company.

The provisions of this Act shall not limit the power of the Mayor and Council of Brunswick to incur any indebtedness for the improvement, repair and extension of its water system, or building of reservoirs and acquiring title to land and rights of way, within or without the State of Maryland, which they now possess under the provisions of law.
