

pose than for the payment of the principal and interest on said bonds, is hereby declared a misdemeanor and punishable as other misdemeanors are punishable, by Section 281 of this Article.

1924, ch. 381, sec. 5.

270. Whenever the plans and specifications for said water supply and sewerage system for said town shall have been completed and said Mayor and Town Council of Kitzmillersville shall have decided, after opportunity for a hearing has been given, to proceed with the construction, they shall advertise by notice in such newspapers and technical press as they may deem proper, for bids for the construction of said system, in parts or as a whole, as in their judgment may appear advisable. The contract shall be let to the lowest responsible bidder, or the Mayor and Town Council of Kitzmillersville may reject any or all bids and, if in their discretion the prices quoted are unreasonable, they may readvertise the work or any part of it, or may do any part or all of the work by day labor; provided that at any time the Mayor and Town Council of Kitzmillersville may, in their discretion, expend by day labor for construction work an amount not exceeding \$1,000 without advertising or receiving bids. All such contracts may be protected by such bonds, penalties and conditions as the Mayor and Town Council of Kitzmillersville shall require, all of which shall be enforceable in any court having jurisdiction.

1924, ch. 381, sec. 6.

271. The Mayor and Town Council shall assess benefits for such part of the cost of construction of said water supply and sewerage systems as it may deem proper, and for this purpose shall divide all properties binding upon a street, lane, alley, or right-of-way, in which a water pipe or sewer is to be laid, into four classes, namely: subdivision, industrial or business, small acreage and agricultural. Immediately upon the commencement of the water supply and sewerage project, the Mayor and Town Council are empowered and directed to fix and levy an assessment upon all property abutting upon said water main or sewer in accordance with the classification, and shall in writing notify all owners of said properties into which class their respective properties fall and the assessment determined upon, naming also in said notice a time and place when at which said owners will be heard. Such notice shall be mailed to the last known address, or served in person upon any adult occupying the premises, or in the case of vacant or unimproved property, posted upon the premises. The classification of and assessment against any property as made by the Mayor and Town Council shall be final, subject only to revision at said hearing. The Mayor and Town Council may change the classification of properties from time to time, as said properties change in the uses to which they are put. Said assessment shall be levied for water supply and sewerage construction and shall be based for each class of property upon the number of front feet abutting upon the street, lane, alley or right-of-way in which the water pipe or sewer is placed; provided, how-
