

of said Collector to collect all taxes levied in pursuance of the provisions of this Act, including water rent, with such assistance as may be required from the City Solicitor, and in the collection of the same in the event of non-payment he shall proceed in accordance with the provisions of the law of the State governing the collection of taxes, and shall have the right to employ such remedies to enforce such collections as are provided by the ordinances of the said Mayor and City Council and the laws of the State for the collection of the taxes levied for State and County purposes.

The said Mayor and City Council shall allow said Collector for any insolvent or uncollectible taxes twice in each year at an interval of six months, but not thereafter, and at the sessions when allowances are considered the Mayor and City Council may act as and have the power of a Board of Equalization.

The said Tax Collector shall give bond in such amount as the Mayor and City Council may provide, in a sum of not less than twenty thousand (\$20,000) dollars, to be approved by said Mayor and City Council; and the Mayor and City Council shall have the right to require a new bond whenever in their opinion the existing bond is insufficient, and whenever such bond is required he shall perform no official act until said bond shall be given and approved in the manner aforesaid. He shall daily pay over to the Treasurer of said city all moneys by him collected and shall report to said Mayor and City Council at the first meeting of that body in every month a full statement of all moneys so collected and paid over to him, and shall perform all such other duties in such manner and according to such rules and regulations as the said Mayor and City Council shall prescribe.

BOARD OF HEALTH.

1922, ch. 96, sec. 33.

33. The Health Officer shall be the secretary of the Board of Health. He shall be charged with the duty of enforcing all quarantine regulations and of keeping the streets, alleys and sidewalks of said city, and all premises therein, in a sanitary condition, and he shall be authorized to enter all houses and other places, public or private, at all reasonable times, in the discharge of his duties for improving and maintaining the sanitation of said city and the prevention and suppression of diseases, and shall have the power to abate or cause to be abated all nuisances which may endanger or affect the health or comfort of people of said city, and generally to do all acts and make all regulations that may be necessary or expedient for the promotion of health or the suppression of disease, and perform such other duties as the Mayor and City Council may prescribe. The Board of Health shall consist of the Mayor, City Engineer and a reputable practicing physician, who shall be appointed by the Mayor and City Council, and the said physician, so appointed, shall serve in such office without remuneration or pay.
