1914, ch. 34, sec. 1.

283. All laws or parts of laws inconsistent with the provisions of this Act, or any part of this Act, relating to the sale or prohibiting the sale of spirituous, fermented or malt liquors or alcoholic bitters shall not be enforced in said County, on and after the first day of May, Nineteen Hundred and Fifteen, and that all laws or parts of laws inconsistent with the provisions of this Act, shall be repealed after said last-mentioned date; provided, however, that this Act shall not be construed to repeal said Section of said Code, prior to the first day of May, Nineteen Hundred and Fifteen, or to affect any offense already committed or which may be committed before this Act shall take effect.

1914, ch. 34, sec. 2.

284. The question whether or not any person or persons, house, company, association or body corporate as hereinafter described, may be licensed in Garrett County of this State, by whom or in which spirituous, fermented or malt liquors or intoxicating drinks may be sold, or whether or not license to sell the same in said County shall be issued, shall be submitted to the registered qualified voters of said County on the first Tuesday after the first Monday in November, Nineteen Hundred and Fourteen, and on the first Tuesday after the first Monday in November every fourth year thereafter, at the election to be held therein, upon the filing with the Election Supervisors of said County at least sixty days before said election of a petition containing the signatures of at least twenty-five per cent. of the registered qualified voters of said County, requesting such submission. *Ch. 610 of 1890 authorized the voters of Garrett County to vote for and against liquor licenses. At the November election, 1890, the vote was: For licenses, 1,295, and against licenses, 1,155. Ch. 461 of 1896 authorized the voters of any election district to vote for and against licenses. At the November election, 1896, the voters of Districts No. 6 and 10 voted against liquor licenses. Ch. 649 of 1908 (page 823) provided for the creation of "anti-saloon" territory within Garrett County by popular vote. All three of these acts seem to have been superseded by ch. 34 of 1914, and consequently they have not been codified.

Secs. 319-337 of this Article have also probably been superseded by ch. 34 of 1914, but since they do not seem to be inconsistent with said chapter, they have been codified.
