

the Town Council, a town clerk, a treasurer, a tax collector, a police magistrate, an attorney, a weighmaster, a street commissioner, a police officer and such other special policemen as the public welfare of said town may require in any case of emergency, who shall severally perform such duties and have such powers as may be prescribed by law and the ordinances passed in pursuance to said charter of said town.

The Mayor and members of said Town Council shall be elected for the period of two years from the second Monday in March, 1922, and shall hold office from the first Monday in April following, except those three who were elected in March, 1921, who shall continue in office until the month of April, 1923, or until their successors are elected and qualified.

The Mayor shall have the right to appoint the police magistrate, the attorney to the town and the police officer, by and with the advice and consent of the Town Council, but the town clerk, street commissioner, and the collector of taxes and weighmaster shall be elected by the Town Council, and said appointees shall each hold their respective offices and enter upon their duties from the first Monday of April of the year in which they were so appointed, or until their successors are appointed and qualified, unless sooner removed for cause in the discretion of the said Town Council.

1898, ch. 25, sec. 169. 1914, ch. 63.

**405.** The limits of said town of Oakland shall be as follows: Beginning for the whole at a concrete monument with a copper center, planted level with the ground, and standing on the northeasterly limit of the Baltimore and Ohio Railroad and thirty-three feet from the center of said railroad, and about South seventy degrees, east one hundred and twenty-four feet from a water plug, or pen stock of said railroad, and running thence with an allowance of three degrees, twenty-one minutes for magnetic variation to correspond with the calls of the corporate survey of 1896, and with horizontal measure for and on the first ten lines (which are the new lines hereby established).

1. South 65 degrees 52 minutes, east 49 perches 22 links, to a concrete monument with copper center.

2. North 24 degrees 24 minutes, east 114 perches 12 links, crossing the County road to Mountain Lake Park at seventy-three perches and 20 links, to a concrete monument with copper center.

3. North 65 degrees 27 minutes, west 26 perches 2 links, to a concrete monument with copper center planted on the west side of a street leading to the Deer Park Road, then with the western limit of said street.

4. North 23 degrees .01 minutes, east 99 perches 17 links, to a concrete monument with copper center standing opposite to a road leading to Mountain Lake Park, then leaving said road.

5. North 64 degrees 21 minutes, west 51 perches 9 links, to the south bank of Wilson Run at a point which is south 64 degrees 21 minutes, east 469 feet from a planted stone marked "J. H. 841," the beginning of the corporate survey made in 1896, thence
