

1916, ch. 680, sec. 227.

**244.** The County Commissioners shall, immediately upon the passage of this Act, have printed and furnished to the Clerk of the Circuit Court blank forms showing in detail the information to be obtained by said Clerk from persons offering deeds for record.

1916, ch. 680, sec. 228.

**245.** If the Clerk of the Circuit Court shall receive for record any deed without requiring the provisions of this act to be complied with, he shall forfeit and pay the sum of fifty dollars (\$50) for each deed so recorded.

### ELECTION DISTRICTS.

1916, ch. 680, sec. 229.

**246.** Harford County is divided into six election districts, according to their present bounds and limits, and elections for all public offices shall be held in each of said districts at the places therein established by law for that purpose.

1916, ch. 680, sec. 230.

**247.** The lines between the second and third election districts of Harford County, as now laid down, be changed, and that the lines which shall hereafter divide said districts shall be as follows: Beginning for the same at the intersection of the boundary line of the second district with that of the third district, at Haviland's Corner; thence running southerly with the center of a private road starting at said corner, and running through the property of the late Hosa Barns until it intersects the public road leading from Churchville to Aldino; thence running westerly with the center of the public road leading from Strickland's Corner to Carsin's Run; thence southerly with the center of the public road leading from Carsin's Run to Belcamp; until it intersects the present line between the two districts at Keithley's old shops; thence following said line as it now exists.

### FENCES.

1916, ch. 680, sec. 231.

**248.** All division fences between the lands of different proprietors in Harford County, which may be necessary for their mutual protection, shall be made and prepared at the joint and equal expenses of the parties interested.

1916, ch. 680, sec. 232.

**249.** All such joint division fences, if made of post and rail, or plank, shall be four feet and a half high; all worm fences shall be five feet high, made of good and sound rails, staked and ridged and substantially built.
