

damages on account of any trespass through said part, by stock belonging to the other joint owner of the fence; and if he shall kill, maim or otherwise injure such stock, he shall, upon conviction, pay to the owner thereof the full value of such stock, with costs of suit.

1916, ch. 680, sec. 238.

255. In all other cases of trespass by stock, the party trespassed upon shall be entitled to recover from the owner of the stock trespassing, the amount of damages done by such trespass, as other debts are now recovered; but if the party trespassed upon shall kill, maim or otherwise willfully injure the stock trespassing, he shall forfeit his right to recover; but in case of prosecution for such killing or maiming, he shall be entitled to prove the amount of damage done by such stock in mitigation of damages for the killing or maiming.

1916, ch. 680, sec. 239.

256. Each freeholder acting under the provisions of this sub-title of this article, shall be entitled to two dollars per day for each day he shall be so employed, one-half of which shall be paid by each party interested.

FERTILIZER.

1916, ch. 680, sec. 240.

257. Any person, company or corporation, who shall offer, sell or expose for sale, in Harford County, any commercial fertilizer or bone dust, the price of which exceeds ten dollars a ton, shall affix to every package, in a conspicuous place on the outside thereof, a plainly-marked certificate, stating the number of net pounds in the package sold or offered for sale; the name or trade-mark under which the article is sold; the name of the manufacturer and the place of manufacture, and a chemical analysis stating the percentage of nitrogen, or its equivalent in ammonia in an available form, of potash, soluble in water, and of phosphoric acid in an available form, (soluble or reverted,) as well as the total phosphoric acid.

Snowden v. State, 69 Md. 203.

1916, ch. 680, sec. 241.

258. Before any commercial fertilizer or bone dust can be sold, or offered for sale, the manufacturer, importer or party who causes it to be sold, or offered for sale within Harford County, shall file with the clerk to the county commissioners of said county, a certified copy of the certificate mentioned in the preceding section, and also an affidavit that the analysis filed has been properly made by a competent chemist; and shall deposit with said clerk a sealed glass or tin vessel, containing not less than one pound of the fertilizer or bone dust, accompanied with an affidavit that it is a fair average sample; and it shall be the duty of said clerk to mark each deposit with the name of the manufacturer, and keep a record of the name of the person depositing the same, and of the date
