

of such deposit; and said clerk shall receive a fee of fifty cents for each deposit, to be paid by the person depositing the same.

1916, ch. 680, sec. 242.

259. The manufacturer, importer or agent of any commercial fertilizer or bone dust, exceeding ten dollars per ton in price, shall pay annually, on or before the first day of May, to the clerk of the circuit court, a license fee of twenty-five dollars; and shall give bond in the sum of one thousand dollars, with at least two sureties, residents of Harford County, answerable for the damages and fines mentioned in Section 262, which bond shall be satisfactory to and shall be filed with said clerk, for the privilege of selling or offering for sale any commercial fertilizer or bone dust in Harford County; provided, that whenever the manufacturer or importer shall have paid the license fee herein required for any persons acting as agents for such manufacturer or importer, such agents shall not be required to pay such fee.

1916, ch. 680, sec. 243.

260. All analyses of commercial fertilizers or bone dust shall be made by an experienced chemist, who shall be appointed by the governor at the same time State officers are appointed; the said chemist to serve for two years or until his successor is duly appointed and qualified; the annual salary to be paid to said chemist shall be five dollars, which shall be paid out of the treasury of the State; the said chemist shall receive, in addition to the said annual salary, a fee of twenty-five dollars for each and every analysis made by him under the provisions of this subtitle of this article, to be paid by the said clerk out of the funds in his hands arising from licenses or fines.

1916, ch. 680, sec. 244.

261. Said clerk shall publish annually, for two weeks, in one or more newspapers of the county, beginning the first week in May, a correct report of all certificates filed, together with a statement of monies received on account of license fees, and expended on account of analyses; and any surplus arising from license permits or fines shall be placed to the credit of the public roads of Harford County.

1916, ch. 680, sec. 245.

262. Any person or party who shall offer or expose for sale any commercial fertilizer or bone dust without complying with the provisions of Sections 257, 258 and 259, or shall permit an analysis to be attached to any package of such fertilizer stating that it contains a larger percentage of any or more of the constituents named in Section 257 than it really does contain, shall be fined not less than two hundred dollars for the first offense, and not less than five hundred dollars for every subsequent offense; but the fines shall not be inflicted for violations on any shipment into this county, nor for any one lot, if made in Harford County; provided, however, that a deficiency of one per cent. of nitrogen, potash, ammonia,
