187. For the purpose of paying the interest on said bonds, and for redeeming said bonds as they mature, the Commissioners of Ellicott City shall, at the time of making the first levy after said bonds are issued, and annually thereafter, until all of said bonds issued under the authority of this Act shall mature and be redeemed, levy a special tax upon the assessable property of said City, sufficient to pay the annual interest on said bonds outstanding, and to redeem said bonds as they mature, said taxes to be levied and collected as other taxes in said City now are, or may be hereafter, by law, levied and collected, and have the same priority rights, bear the same interest and penalties, and in every respect be treated the same as other taxes in Ellicott City. Provided, however, that the Commissioners of Ellicott City may, in their discretion, apply any balance remaining in the "Water Supply Fund" provided for in Section 186 of this Article, to the payment of said interest, and the redemption of said bonds. The tax authorized by this Section shall be in addition to the other taxes which the Commissioners of Ellicott City are authorized by law to levy, and shall not be used for any purpose other than the payment of the interest on said bonds, and the redemption of said bonds as they mature.
