

shall be built, rebuilt, constructed or reconstructed, the said Committee shall thereafter determine that said street, road or lane shall be improved as stated in the said petition and proceed as in this section provided.

(c) If such proposition shall be so adopted it shall be certified by the Citizens' Committee of Section 4 to the Board of County Commissioners for approval. Such certification shall include the list or statement hereinbefore provided, together with any supplemental estimate of cost which may be necessary, together with a statement showing the abutting property owners, the frontage of each property, and the respective proportions which the frontage of each property bears to the total frontage of the streets, roads or lanes so to be improved, and allocating the total cost of the improvement among such properties in proportion to said frontage; provided, that in computing said total cost of any such improvement the cost of improving intersections or crossings of streets, roads or lanes and all proper incidental expenses, including expenses incident to the issuance of bonds for such improvement as provided in Section 116 hereof shall be included as a part of such total cost so to be apportioned.

(d) If such proposition be approved by the Board of County Commissioners, said Board shall thereafter assess the total cost of such improvement against the properties abutting on the streets, roads or lanes so to be improved in the respective proportions which the frontage bears to the total frontage of the streets, roads or lanes to be so improved, and each assessment shall thereupon become a lien upon such abutting property, and said Board shall thereupon give 10 days' notice of each such assessment and opportunity to be heard thereon to the owner of such abutting property who shall have a right to appeal therefrom within 10 days to the Circuit Court of Montgomery County. Such assessments shall be due and payable in not more than six annual installments, as nearly equal as may be, the first installment thereof to become due and payable the first day of July next succeeding the making of such special assessment, as hereinbefore provided, and shall be collected in the same manner provided by law for the collection of county taxes in said county, and shall be subject to interest from the first day of the following September until paid at the rate of six per cent. per annum. Any person shall have the right to anticipate the payment of any or all installments not then due. Any assessment or part thereof remaining due and unpaid shall be collected in the same manner provided by law for the collection of delinquent taxes.

(e) All money so received by the County Treasurer on account of such special assessments and interest thereon shall upon order of the said Board of County Commissioners be paid over to the said Treasurer of Section 4, Chevy Chase, and shall be treated as a special fund, which said fund shall be kept as a separate account and fund, together with the moneys received from the sale of bonds or other evidences of indebtedness issued for the road and street improvement as provided in Section 116 a (1) and 116 b (1). And said Chevy Chase Citizens' Committee of Section 4 shall become charged with the duty to build, construct, rebuild or reconstruct such streets, roads, lanes or sidewalks within the said Chevy Chase Section
