

portion of the district within Montgomery County and to pay over to the Commission for the purposes set forth in Section 592 of this subtitle the difference between the amount collected from said seven cent tax and the amount necessary to pay the interest and principal on said bonds; and if no bonds are issued then the whole amount collected from the said seven cent tax shall be paid to the Commission and used for the purposes hereinbefore set forth, provided that the moneys collected from the tax on assessable property within that portion of the district of Montgomery County, shall be expended within that portion of the district within Montgomery County. Upon the affirmative vote of all of the members of the Commission from Prince George's County requesting such action, the County Commissioners of Prince George's County may, within their discretion, in the first year of such levy, and shall thereafter levy annually in the manner provided in this section against all assessable property within that portion of the district located in Prince George's County not to exceed in one year seven (7c.) cents upon each one hundred dollars (\$100.00) of assessed valuation of the assessable property within that portion of the district located in Prince George's County. Such tax shall be sufficient to pay the interest on and retire at maturity such bonds as may be issued and sold by the Commission, the proceeds of which are expended within that portion of the district within Prince George's County. All of the provisions of this section with respect to the method whereby such seven cent (7c.) tax shall be determined, levied, collected and paid over and the money so received, expended and invested with respect to Montgomery County shall apply to the determination, levy, collection and paying over of the tax and the expenditure and investment of the money so received with respect to Prince George's County. In the event that the amount necessary to be levied in any year on the assessable property within that portion of the district within Prince George's County to pay the principal and interest on such bonds as may be issued does not require a levy of seven cents on each \$100.00 of assessable property then the County Commissioners of Prince George's County are authorized and empowered upon the affirmative vote of all of the members of the Commission from Prince George's County, requesting such action, to levy a tax of not exceeding seven cents on each \$100.00 of assessable property, within that portion of the district within Prince George's County, and to pay over to the Commission for the purposes set forth in Section 592 of this subtitle the difference between the amount collected from said tax not exceeding seven cents on each \$100 of assessable property and the amount necessary to pay the interest and principal on said bonds; and if no bonds are issued then the whole amount collected from said tax not exceeding seven cents on each \$100.00 of assessable property shall be paid to the Commission and used for the purposes hereinbefore set forth, provided that the moneys collected from the tax on assessable property within that portion of the district within Prince George's County shall be expended within that portion of the district within Prince George's County; and provided further that the Commission is hereby authorized and empowered, by resolution,
