

provision is made for disposing of the waste, sewage and drainage from such building or structure, and plans thereof presented for the inspection of the building inspector.

1927, ch. 703, sec. 7. 1929, ch. 414, sec. 7.

624. The County Commissioners of Montgomery County shall have the power and authority, and the same is hereby expressly delegated to them, of adopting all necessary rules and regulations and orders for insuring adequate provision for disposing of the drainage, sewage, and waste from such building, so as to protect the public health, and such rules, regulations and orders when recorded in the minutes of said Commissioners, signed by them and attested by their chief clerk, shall have the same force and effect as though enacted by the General Assembly of Maryland, and any person violating the same shall be guilty of a misdemeanor and be fined not less than five or more than fifty dollars. ,

1929, ch. 414, sec. 3.

625. Should any section or part of a section of this Act be declared unconstitutional by a court of competent jurisdiction, the validity of the other sections or parts thereof shall not be affected thereby.*

1929, ch. 379, sec. 1.

626. Before any park or power development shall be commenced or any additional roads or highways constructed within the area hereinafter defined in Montgomery County, Maryland, the consent and approval of the Maryland-National Capital Park and Planning Commission shall first be secured by any public or private agency proposing to make such a park, power or highway development. Action by the said commission in approving or disapproving projects under the provisions of this Act shall be based on and have a direct relation to the health, safety, morals or welfare of the people residing in the area hereinafter defined, and the people inhabiting the Maryland-Washington Metropolitan District, as the said District was defined by Chapter 448 of the Laws of Maryland of 1927. In exercising the powers vested in it by this Act the commission shall be guided and limited by the considerations set forth in Section 588 of this subtitle relative to establishing a plan for the physical development of the Maryland-Washington Metropolitan District.

The boundaries of the said area shall be as follows:

Beginning at the point of intersection of the westernmost boundary line of the Maryland-Washington Metropolitan District with the Maryland-Virginia boundary line on the south side of the Potomac River and running thence along and with the said Maryland-Virginia boundary line to a point on the said Maryland-Virginia boundary line at the intersection of the said boundary line with a straight line produced southwesterly from the point of intersection of the center of the Falls Road and the center of the road running westerly and northwesterly from Scotland

*Sec. 2, ch. 414, 1929, repealed all laws inconsistent therewith.
