775. Nothing in Sections 772 and 774, inclusive, shall be construed as affecting any private rights or the right of adjacent landholder as now held and enjoyed by law.

1910, ch. 484, sec. 177Z. 1912, ch. 790, sec. 480. 1912, ch. 109, sec. 177Z.

776. All monies received by the County Commissioners of Montgomery County under the provisions of Section 772 and 773 of this subtitle shall be applied to the general road account of the county.

1922, ch. 392, sec. 1.

777. The County Commissioners of Montgomery County are hereby authorized, empowered and directed that whenever in the opinion of the County Commissioners of said county public necessity requires any street, lane, road, alley, thoroughfare, used or traveled way either in a subdivision of land created heretofore or hereafter the said County Commissioners shall by appropriate action take over any such street, lane, road, alley, thoroughfare, used or traveled way and the same shall become a part of the county road system of said county and shall be maintained at the expense of said county after the date of its acceptance, dedication or condemnation. That there shall be no exception in the matter of acceptance, condemnation or dedication even though said street, lane, road, alley, thoroughfare, used or traveled way shall not connect any existing county or state road, yet if the County Commissioners determine that public necessity requires the use of same the same may be made a part of said county road system in such manner and form as the County Commissioners in their resolution may prescribe.

1922, ch. 392, sec. 2.

778. In the event that the County Commissioners may determine to take over any street, lane, road, alley, thoroughfare, used or traveled way said County Commissioners shall cause a plat and survey to be made of same by the County Surveyor and said plat shall be recorded among the land records of Montgomery County and said plat shall specifically set forth the location, width and length of said roadway. That upon the petition of any taxpayers to the County Commissioners to take over such street, lane, road, alley, thoroughfare, used or traveled way it shall be the duty of the County Commissioners to appoint examiners as provided for under the Public Local Laws of said county to determine the public necessity for same and the location and after the report of said examiners objections shall be heard as heretofore provided by law and after hearing objections thereto the County Commissioners may take such action as they may deem proper in the premises for the adoption or rejection of the examiners' report.

1922, ch. 392, sec. 3.

779. The County Commissioners are hereby authorized and empowered to assess benefits and damages to the abutting property owners of
