

Roads Commission as herein provided the County Commissioners shall pay over to said Commission the sum of three thousand dollars for each and every mile so taken over by said commission, said three thousand dollars to be spent by said State Roads Commission for the repairing and re-surfacing of any road or roads accepted under and by the provisions of this Act, providing that the amount of money paid to said State Roads Commission shall not exceed the sum of sixty thousand dollars, and provided further that upon the acceptance by the State Roads Commission of the sum of three thousand dollars for each mile of stone road accepted as aforesaid shall thereafter be kept and maintained by said Commission as a part of the State's System of Highway and the County Commissioners are relieved of the further maintenance of same.

1922, ch. 261, sec. 3.

787. The County Commissioners are hereby authorized and empowered to expend any money levied for the fiscal years 1922 and 1923, for road purposes exclusive of the levy for dirt roads, for the purpose of repairing and re-surfacing any additional stone roads to be accepted by the State Roads Commission at the rate of three thousand dollars a mile, this amount being in addition to amount of money being provided for in said bond issue. That upon the acceptance of any stone road or roads by the State Roads Commission under the provisions of this section, the said County Commissioners shall pay to said Commission a sum of money not to exceed three thousand dollars per mile for each mile accepted and taken over by said Commission to become a part of the State Highway System, and when so accepted to relieve the County Commissioners of future maintenance of said roads so accepted.*

STORE ROOMS.

1922, ch. 272.

788. The County Commissioners of Montgomery County are hereby authorized and empowered to purchase a site or sites of land in any or all of the election districts of said county and erect thereon suitable buildings where the road machinery of all kind, nature and description may be housed when not in use on the county roads and it shall be the duty of each road Superintendent or Supervisors to see that such tools, implements or machinery that has been used in the building or repair of roads shall be properly housed when not in use. That on the first day of April and October in each and every year the County Commissioners shall be furnished with a list of all the equipment of the county in each of the said county store-rooms in each district by the Supervisor having the same in charge and the County Commissioners shall hold responsible all persons who shall have the care and custody of any of the tools, implements or machinery belonging or owned by the county and no person shall be permitted to remove or use any of said equipment without the written permission first had and obtained from the Board of County Commissioners

*Sec. 2, ch. 261, 1922, authorized commissioners to issue \$60,000 of bonds for this purpose.
