

tion, character, size, and condition of said school property in a book to be kept for that purpose, and he shall personally inspect and record and report the condition of same to the County Board of Education and the County Commissioners with his recommendations as to the needs of said property or the disposition of same, and in all matters and things in relation thereto, it shall be the duty of said supervisor to improve and maintain any and all school property of the county, so that it may be preserved and utilized for the purposes intended, and not be permitted to deteriorate or decay for lack of attention and care, and for this purpose the said supervisor shall be required to frequently inspect and recommend and cause to be made the repairs required.

1922, ch. 537, sec. 6.

875. The supervisor of school property shall have supervision of all the janitors of the school buildings, and shall prescribe their duties in relation to same, and may remove any janitor at any time for his neglect or failure to properly attend the duties so assigned to him.

1922, ch. 537, sec. 7.

876. The supervisor of school property shall have such jurisdiction over all things herein mentioned that the Board of Education or Treasurer thereof shall not approve or pay any bill for anything in relation thereto unless said account, bill or statement shall have endorsed thereon the approval for payment of the supervisor of school property.

1922, ch. 537, sec. 8.

877. The supervisor of school property shall from time to time advise the County Board of Education and the County Commissioners of Montgomery County of all the matters and things herein contained, and shall aid, advise, and suggest the various needs required for the construction and maintenance of all school properties, including the equipment thereof, and he shall keep accurate itemized records of the expense of the construction and maintenance of same, and yearly report to the County Board of Education and the County Commissioners and explain whatever items in the budget as may be required of him, so that the County Board of Education and County Commissioners may be fully advised of the need of each item of the budget as submitted by the Board of Education.

1922, ch. 537, sec. 9.

878. The salary of said supervisor shall be twenty-five hundred dollars per annum, payable monthly by the Board of Education for Montgomery County, and said Board of Education shall annually include in the budget submitted by them to the County Commissioners the sum of twenty-five hundred dollars for the salary of said supervisor of school property, and the County Commissioners shall include in their annual levy said sum of money to be paid out of the amount of money levied for school purposes. He shall be reimbursed for all actual necessary traveling
