

so determines it shall pass an order requiring said connection or connections in not less than thirty nor more than ninety days, and a refusal to comply with said Order or a violation of any of the other provisions of this section, is hereby declared to be a misdemeanor punishable under Section 1011 of this subtitle. Either side may have a right of appeal to the Circuit Court as appeals are now allowed by law from Justices of the Peace, where the prosecution is before a Justice of the Peace.

1918, ch. 122, sec. 10.

1000. Before any plumbing, water-works or sewer construction is done in any building, or upon any private property, within the Sanitary District, the person, firm or corporation doing the same shall first obtain a permit from said Commission and pay therefor such reasonable sum as the Commission may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the Commission may from time to time formulate, and subject to such inspection as may be deemed necessary. No connection of any kind shall be made with any water main or sewer, constructed or maintained by said Commission, without a permit and under such conditions as said Commission may authorize. In order to prevent waste of water, said Commission shall have the right of entry at reasonable hours to all buildings or premises having any connection with the water supply or sewerage systems under its jurisdiction, and may order and require such changes in all plumbing, water works or water or sewer connections as it may deem necessary to eliminate leakage, loss of water or unnecessary use of sewers. No private or semi-public water supply or sewerage installation intended for the use of two or more buildings or premises shall be constructed in said Sanitary District without the person, firm or corporation doing the work having first obtained a permit from said Commission and paid a reasonable charge therefor, and such plant shall then be installed, maintained and operated under such rules and regulations as said Commission may require or devise. Any violation of any of the provisions of this Section shall be a misdemeanor punishable under Section 1011 of this subtitle.

1918, ch. 122, sec. 11. 1927, ch. 506, sec. 11.

1001. For every water and sewer connection, as provided under Section 999, said Commission shall make such charge as it shall determine to be reasonable, which charge shall be uniform throughout the Sanitary District, subject however to a revision annually by the Commission. Said charge shall be paid by all property owners at the office of the Commission before the actual connection with any pipe or private property is made. One-half of the revenue, above actual cost, derived from such charges shall be retained by the Commission on a contingent fund for repairs, replacements, or any extraordinary expense in the maintenance and operation of the water supply, sewerage and drainage systems under its control. The remaining half shall be applied by the Commission to the payment of the bonded debt as hereinafter provided.
