

1898, ch. 349, sec. 20.

**139.** Said Commissioners shall have the power to license and regulate all hacking coaches, carriages, carts, drays, omnibuses, wagons or other vehicles kept for hire or hired in said town, and to license and regulate the employment of all hackmen, draymen, wagoners, carters, porters, boatmen and watermen plying for hire within the limits of said town, and to pass all necessary and proper regulations respecting the same; and to fix the price of compensation for hackney carriages, and to fix the penalties for the violations of such regulations; to regulate the location and conduct of livery stables, and to enact ordinances respecting the keeping and boarding of horses thereat; providing the regulating of such keeping and boards of such stables shall not be inconsistent with the laws of this State.

1898, ch. 349, sec. 21.

**140.** The said Commissioners shall have the power to license and regulate the sweeping of chimneys, and fix the rates thereof; to regulate the sweeping of any chimneys by neglect of which the said town may be endangered.

1898, ch. 349, sec. 22.

**141.** The said Commissioners shall have the power to enact ordinances for the prevention of cruelty to animals, and fix the penalties for the violation thereof not inconsistent with the laws of this State.

1898, ch. 349, sec. 23.

**142.** The said Commissioners shall have the power to fix by ordinance the disposition of all fines and penalties imposed in violation of any of the ordinances of said town.

1898, ch. 349, sec. 24.

**143.** The said Commissioners shall have the power to establish regulations for the prevention and extinguishment of fires, to appoint firemen and appoint, organize and equip fire companies, and to fix the penalties for the violation of any fire regulation, and to fix the compensation of firemen.

1898, ch. 349, sec. 25.

**144.** The said Commissioners shall have the power to pass ordinances to preserve the health of the said town, to prevent and remove nuisances, to prevent the introduction of contagious diseases within the said town, and within two miles of the same, and may regulate the places for manufacturing soap and candles, the erection of slaughter houses, tanneries, canning factories and distilleries, and whenever other offensive trade is carried on. That whenever any nuisance dangerous to the health shall exist in any street or alley of the said town, and it shall be found necessary in order to remove the same to have such street or alley paved or
