

said bridge, whose duty it shall be to attend the opening and closing of the draw of said bridge; and to perform such other duties in regard to keeping said bridge in proper and safe condition as the County Commissioners may direct; and the keeper of said bridge shall receive as compensation for his services the sum of one dollar per day, to be provided by the said County Commissioners as authorized by this Act.

No traction engine shall be permitted to pass over said bridge without the written consent of a majority of the Board of County Commissioners of said county.

The County Commissioners of Anne Arundel County shall have full power and authority to make reasonable rules and regulations for the use of said bridge by the public and for the protection of said bridge, and shall have full power and authority to enforce the observance thereof, and of this section, by imposing upon the person or persons violating said rules and regulations of this Act any reasonable fine not exceeding ten dollars (\$10.00) for the violation thereof, which fine shall be collected as small debts are now collected, and shall be recovered in the name of said County Commissioners before any justice of the peace for said county; and on refusal or failure to pay and inability to collect the same by legal process the person or persons so fined shall be committed to the county jail of the county for a period not exceeding ten days, in the same manner as commitments are made for fines imposed by the Circuit Courts of this State on conviction for misdemeanor; and all fines when collected shall be applied to the maintenance of said bridge.*

1918, ch. 146. 1922, ch. 83, sec. 1.

165. The County Commissioners of Anne Arundel County, in the State of Maryland, are hereby authorized, empowered and directed to erect and construct a draw bridge over South River, in the Second Election District of Anne Arundel County, aforesaid, from the west side of said river, at Riverview, to a point connecting the public road at Tucker's Landing, immediately opposite on the east side of said river and at a point which will give the most direct route of traffic and shorten the distance in connection therewith to Annapolis City, and the cost of erecting said bridge shall not exceed the sum of fifty thousand (\$50,000) dollars.†

1922, ch. 83, sec. 3.

166. The said County Commissioners of Anne Arundel County are hereby authorized and directed to levy annually on the taxable property of said county a sum of money sufficient to pay the interest on the bonds to be issued as aforesaid, to pay the principal of said bonds to be issued as aforesaid, as they mature, and to maintain said bridge and to keep the same in good and safe repair.

*The first two sections of ch. 716, 1912, authorized bonds for the erection of a drawbridge over Stony Creek.

†This bridge probably makes unnecessary the operation of the ferry provided for in sec. 238.
