

districts herein created, the several election districts are combined as follows:

Nottingham District, Aquasco District, Brandywine District, and Piscataway District, are hereby classified as one district; and William H. Duval, the present County Commissioner, or his successor, in case of a vacancy for any cause, shall name the five district road commissioners in each of the election districts so combined, and as hereinafter provided. That Oxon Hill District, Surratt's District, Spaulding's District and Mellwood District, are hereby classified as one district; and Charles A. Ryon, the present County Commissioner, or his successor, in case of a vacancy for any cause, shall name the five district road commissioners in each of the election districts so combined, and as hereinafter provided. That Chillum District, Hyattsville District, Kent District and Seat Pleasant District are hereby classified as one district; and George A. Gude, the present County Commissioner, or his successor, in case of a vacancy for any cause, shall name the five district road commissioners in each of the election districts so combined, and as hereinafter provided. That Vansville District, Riverdale District and Bladensburg District are hereby classified as one district; and George N. Wells, the present County Commissioner, or his successor, in case of a vacancy for any cause, shall name the five district road commissioners in each of the election districts so combined and as hereinafter provided. That Laurel District, Bowie District, Queen Anne District and Marlboro District are hereby classified as one district, and George W. Waters, the present County Commissioner, or his successor, in case of a vacancy for any cause, shall name the five district road commissioners in each of the election districts so combined and as hereinafter provided. That from and after the first Monday in April, 1924, or from and after the first Monday in April following the election of a County Commissioner or County Commissioners, provided by any law which may be passed by the Legislature of 1922, changing the present date for the election of County Commissioners, the then County Commissioners shall disregard the district classification as hereinbefore provided in the naming of said district road committees, and shall then divide said election districts into such classifications for the naming of district road committees, as may then be equitable, taking in consideration the then residence of the members of the Board of County Commissioners.

1922, ch. 200, sec. 280.

**888.** The Board of County Commissioners, shall have charge and custody of the road fund of Prince George's County as hereinafter provided; and shall meet at least twice in each month for road purposes. They shall appoint a road clerk who is to attend such meetings, acting as secretary, and who shall take charge of and file all papers in connection with the roads and bridges, and shall keep the account of the road fund of Prince George's County in accordance with a system of accounting to be adopted by the Board of County Commissioners, which system of account-
