

town are hereby authorized, empowered and directed to fix and from time to time change the compensation said Treasurer shall receive for the duties imposed upon him by this section, and said compensation, together with the cost, if any, of the bond hereinafter mentioned, shall be paid out of the sums received from consumers of electric power and energy for electric services and shall be considered part of the cost of maintenance of said plant and shall be in addition to the other amounts allowed to said Treasurer for his other duties. The said Treasurer, before entering upon the duties required of him by this Act, shall give to the Town Commissioners of Queenstown a bond in such amount and with such surety or sureties as the Town Commissioners of Queenstown shall determine and approve, condition for the faithful performance of the duties imposed upon him by this Act.

349. Vacant.

1920, ch. 83, sec. 10.

350. If at any time the revenue derived from the payment of said electric service by consumers shall be insufficient to pay the expenses of running and maintaining said plant, and repairing the same, then the Commissioners of said corporation are hereby authorized and empowered to deposit from time to time in bank to the credit of the same account mentioned in Section 348 of this Article, from the proceeds of the tax they are now authorized and directed by law to levy for the use, improvement and expenses of said town such sum or sums, not to exceed in the aggregate in any one year five hundred dollars, as may be necessary, in their judgment, to make up said deficiency; and the said sum or sums so deposited shall be used in the payment of the expenses of running and maintaining said plant, and repairing the same, and for no other purpose whatever, and shall be withdrawn from bank in the same manner as the other funds of said account are directed to be withdrawn by said section of this Article.

1920, ch. 83, sec. 11.

351. The Town Commissioners of Queenstown are hereby authorized and empowered to pass all ordinances, not inconsistent with this Act, that they may deem necessary to protect and preserve the plant and equipment mentioned and provided by this Act.

1920, ch. 83, sec. 12.

352. It shall be the duty of the Commissioners or municipal officers of said corporation to cause to be published annually for one week in a newspaper published in Queen Anne's County an annual statement of receipts from consumers for use of the electric plant and of all expenditures of maintaining and repairing said plant and enlarging the same.

1920, ch. 83, sec. 13.

353. Nothing in this Act contained is intended or shall be taken or construed as relieving the Town Commissioners of Queenstown from any
