374. The County Road Engineer shall annually on the first Monday in May appoint by and with the advice and consent of the Board of County Commissioners district road supervisors, but not more than one supervisor in any election district of Queen Anne's County, who shall be paid such wages or salary as the County Commissioners may prescribe; and it shall be the duty of said district road supervisor to take charge of and manage the work on the public roads and bridges in the district for which he is appointed, subject to the control and direction of the County Road Engineer, or the Board of County Commissioners and he shall perform such other duties as the County Road Engineer or the Board of County Commissioners may prescribe, and may be removed at any time by the said County Road Engineer or the Board of County Commissioners.

1910, ch. 35, sec. 230G (p. 1068).

375. Any person appointed under the provisions of this Act, whose duty it shall be to keep accounts or make reports, who shall fail to do so, or who shall wilfully make false reports or accounts, shall be liable to indictment by the Grand Jury of Queen Anne's County; and, if convicted in the Circuit Court thereof, shall be fined a sum, in the discretion of the Court, not exceeding three hundred dollars, and shall make good the loss arising from such neglect of duty or fraud.

1910, ch. 35, sec. 230H (p. 1068). 1924, ch. 535, sec. 230H.

376. Whenever any person or persons shall desire to improve any public road in said county to any extent beyond that contemplated by the County Road Engineer, he or they may make application to the County Commissioners by petition, setting forth the location of the road to be improved, the extent and character of the improvement, and probable cost thereof; and the said County Commissioners shall thereupon order the County Road Engineer to examine the location and purpose set forth in the petition; and if he shall be of the opinion that the public interest will be promoted thereby, he shall report his determination to the County Commissioners, setting forth his reasons for such determination, and an estimate of the costs of such improvement; and if the County Commissioners shall approve the report of the said County Road Engineer, they shall direct the expenditure of any amount, not to exceed one-half the total of said estimate, to be paid out of the road levy or of other moneys belonging to the county; provided, that the petitioners for such improvements shall first pay into the treasury of the county an amount not less than one-half of said estimate; all of said money to be expended under the direction of the County Road Engineer and the Board of County Commissioners.

1910, ch. 35, sec. 230-I (p. 1068).

377. It shall not be lawful for the County Commissioners to open any new public road in Queen Anne's County until they shall have such proposed road surveyed and platted by the County Road Engineer and an
