

jurisdiction is given such city one mile in every direction from the corporate limits.

To compel the occupants of any premises, building or outhouses situated in said city when the same may have become filthy or unwholesome, to abate or cleanse the same, and to authorize the same to be done by the proper officers, and assess the expense thereof against such property.

To regulate or prevent the storage of gunpowder, tar, pitch, resin, coal oil, benzine, turpentine, hemp, cotton, nitroglycerine, dynamite, giant powder, petroleum, gasoline or gas, or any product thereof, or any other explosives or combustible material, or any material which may seem to be dangerous.

To regulate or prohibit the interment of bodies and to authorize the removal of bodies now or hereafter buried, or of cemeteries, to some other proper place.

To establish quarantine regulations.

To authorize the removal or confinement of persons having infectious or pestilential diseases.

To regulate or prohibit the ringing of bells, crying of goods, or sounding of steam whistles.

To pass all ordinances or orders, and to expend such sums of money as may be necessary for the protection, maintenance and preservation of the water supply of the city and the prevention of the pollution thereof.

To direct the location and regulate the management of all public markets and market places, whether established by the city or by private individuals.

To regulate and require the inspection and condemnation, if unwholesome, and to regulate the sale of meats, poultry, fish, butter, oleomargarine, cheese, lard, vegetables and all other food or provisions.

To regulate the selling, weighing or measuring of hay, wood, coal, coke and all other articles sold by weight or measure, and to provide for their inspection and sealing.

To authorize and require the inspection and licensing of steam boilers and elevators, and to prohibit their use when unsafe or dangerous or without license.

To define fire limits in such city and the character of buildings which are forbidden to be erected within such limits, and to prohibit the erection of buildings in such city without a license first obtained therefor, and to regulate the construction of buildings to prevent the spread of fire.

To authorize and require the inspection of buildings and structures erected, or to be erected, or in progress of erection; to cause the license therefor to be revoked and the condemnation thereof in whole or in part when dangerous or insecure in the opinion of the building committee, or such person as the said Council may appoint to inspect the same, and to require the same to be taken down within a specified time by the owner thereof, or in default thereof to require the same to be taken down at the said owner's expense, or in case of an emergency, to require the same to be taken down by such person as the Council may appoint without delay-
