

be made at cost, and including a proper charge for overhead. The Public Service Commission of Maryland is hereby authorized and directed to review, upon application by the Commissioners, the cost of making such extensions, and the findings of the Public Service Commission shall be final except that there may be an appeal to the courts from such findings as is provided by law in the case of other determinations by the Commission. The Commissioners are hereby empowered, authorized and directed to raise funds, as hereinafter provided, for the expenditures here above authorized and directed, and to pay to the City of Baltimore out of such funds from time to time such sum or sums either in advance or as such work is done as may be necessary to cover the cost of said work. The proper authorities of Baltimore City are hereby empowered, authorized and directed to make installations of water supply service pipes to be connected to water mains whenever and wherever requested in writing by any individual, firm or corporation owning property within the Metropolitan District, provided such individual, firm or corporation shall, before said work shall be done, deposit with the City of Baltimore a sufficient sum of money to cover the cost of such installations. In like manner in case of disagreement between the City of Baltimore and any individual, firm or corporation as to the cost of any such service pipe made by said city for such individual, firm or corporation, the Public Service Commission of Maryland shall review said cost upon application, and the findings of the Public Service Commission shall be final, except that there may be an appeal to the courts for such findings as is provided by law in case of other determinations by the Public Service Commission.

1924, ch. 539, sec. 6. B. Co. C. (1928), sec. 332.

332. As soon as water extensions have been constructed by the City of Baltimore in the Metropolitan District, the operating control shall be in the hands of the proper authorities of the City of Baltimore, who shall establish water service rates for all consumers on such water lines, who shall bill and collect such water rates and shall maintain the water distribution system in as good a condition, and the water service in as efficient a manner as the remainder of the water system owned and operated by the City of Baltimore. All the water service rates established as above shall be first approved by the Public Service Commission of Maryland, subject to the same right of appeal to the courts as is provided by law in the case of rates for public service corporations fixed by the Public Service Commission, before they may become effective under the requirements of this Act.

1924, ch. 539, sec. 7. B. Co. C. (1928), sec. 333.

333. The Commissioners shall have full power and authority to enter into any agreement with the proper authorities of Baltimore City or Anne Arundel County, or both, and the proper authorities of Baltimore City and Anne Arundel County are hereby authorized to enter into any such agreement with Baltimore County or with each other for the disposal of sewage
