

ment for not less than ten days for each offense, in the discretion of the court.

1908, ch. 205. B. Co. C. (1916), sec. 284. 1928, sec. 365.

365. No person, firm or company or corporation shall be permitted to erect, construct, or establish a garbage reduction plant at or on any place within nine miles of the Lazaretto Lighthouse, on the Patapsco River, and all persons, firms, companies or corporations are hereby prohibited from erecting, constructing or establishing such plant or plants for the reduction of garbage, offal or similar refuse at or on any place within said limits.

1912, ch. 805, sec. 187A. B. Co. C. (1916), sec. 285. 1928, sec. 366.

366. Any person or corporation who shall cause to be emptied directly or indirectly, or who shall negligently suffer or permit to be emptied any such waste product of any distillery of spirituous liquor, commonly known as distillery slop, or any other waste product of such distillery of an offensive nature, directly or indirectly into any running stream of water in Baltimore County, the waters of which stream are used for domestic purposes, or for the watering of milch cattle or any other live stock in said county, shall be guilty of a misdemeanor, and on trial and conviction by the Circuit Court of said county, any such corporation so offending as above set forth, shall be punished by a fine of not less than one hundred dollars nor more than two hundred dollars for each and every day said offense shall be continued by said corporation, and in the case of an individual person so offending, such person shall be punished by a fine of not more than one hundred dollars, for each and every day such offense shall be continued by said individual, or by imprisonment in the Baltimore County Jail for a period not exceeding thirty days, or both by fine and imprisonment in the discretion of the court.

1916, ch. 197. B. Co. C. (1916), sec. 286. 1928, sec. 367.

367. That the County Commissioners of Baltimore County shall be charged with the duty as hereinafter provided, subject, however, to all the limitations and provisions of the succeeding sections of this Act, of projecting, constructing and establishing sewerage and drainage systems in Baltimore County whenever in their opinion the public health, welfare or convenience so require, with the power and authority to include in such systems, either separately or combined, provision for the collection and disposal of storm, ground or surface water, household sewage and ordinary sewage, and said Commissioners shall have full power and authority and the same is hereby expressly delegated to them to provide, pass and adopt rules, orders and regulations for the proper maintenance, preservation, repair, improvement, protection, examination and inspection of such systems, and all such rules, orders and regulations shall be recorded in the record of the proceedings of said Commissioners, signed by them and at-
