

be and are hereby transferred to and hereafter shall be exercised and performed by the Bureau of Water Supply as the lawful successor to said Water Engineer and Water Board to the same extent as if the Bureau of Water Supply had been named in the provisions of law as the body upon which the said rights, powers, duties, obligations and functions were conferred.

The powers and authority heretofore exercised and performed by the Water Board relating to the assessing and establishing of rates, in accordance with any provision of law, and particularly ordinances of the Mayor and City Council passed under authority of Chapter 364 of the Acts of the General Assembly of 1904, Section 87A of Article 4 of the Code of Public Local Laws of Maryland, and of the same section of the Charter of Baltimore City, and in accordance with any other act of the General Assembly, section of the City Charter or ordinance of the Mayor and City Council shall not be transferred to the Bureau of Water Supply, but all of the rights, powers, duties, obligations and functions conferred by law upon the Water Board relating to the assessing and establishing of rates, in accordance with any provision of law, and particularly ordinances of the Mayor and City Council passed under authority of Chapter 364 of the Acts of the General Assembly of 1904, Section 87A of Article 4 of the Code of Public Local Laws of Maryland, and of the same section of the Charter of Baltimore City, and in accordance with any other act of the General Assembly, section of the City Charter or ordinance of the Mayor and City Council shall be and are hereby transferred to, and hereafter shall be exercised and performed by the Board of Estimates, as the lawful successor to said Water Board, to the same extent as if the Board of Estimates had been named in the provisions of law as the body upon which the said rights, powers, duties, obligations and functions were conferred. Thereupon the Water Board as heretofore constituted shall be and remain abolished.

The Bureau of Water Supply shall perform such other duties and exercise such other powers as may be required from time to time by ordinance of the Mayor and City Council, subject, however, to the power and authority conferred upon the Chief Engineer by the provisions of this Charter.

(2)

BUREAU OF HIGHWAYS.

There shall be in the Department of Public Works a Bureau of Highways. The head of this bureau shall be the Highways Engineer, who shall direct its operation, and who shall perform, subject to the authority of the Chief Engineer, the duties and exercise the powers which are herein imposed or conferred upon the Bureau of Highways.

The Highways Engineer shall be appointed by the Mayor, with the consent of the City Council, as provided in Section 25 of the Charter of Baltimore City, and hold his office as therein provided.

The Highways Engineer shall have general educational equipment at least equal to that of graduates of high schools. The Mayor, when ap-
