

All of the rights, powers, duties, obligations and functions conferred by law upon the Inspector of Weights and Measures, and particularly by the provisions of Section 34 of Article 4 of the Code of Public Local Laws of Maryland, and by the same section of the Charter of Baltimore City, and by any other Act of the General Assembly or section of the Charter of Baltimore City or ordinance of the Mayor and City Council of Baltimore; and all of the rights, powers, duties, obligations and functions conferred by law upon the City Comptroller with respect to the inspection of weights and measures, in accordance with the provisions of Section 34 of Article 4 of the Code of Public Local Laws and with the provisions of Chapter 802 of the Acts of the General Assembly of 1914, or any other Act of the General Assembly or section of the Charter of Baltimore City or ordinance of the Mayor and City Council, shall be and are hereby transferred to and hereafter shall be exercised and performed by the Bureau of Standards as the lawful successor to the said Inspector of Weights and Measures to the same extent as if the Bureau of Standards had been named in the provisions of law as the body upon which the said rights, powers, duties, obligations and functions were conferred. Thereupon the office of Inspector of Weights and Measures as heretofore constituted shall be and remain abolished.

The Chief Engineer is hereby authorized and directed to transfer to the Bureau of Standards such testing and inspection work hitherto performed by the Paving Commission as may be deemed expedient.

The Bureau of Standards shall perform such other duties and exercise such other powers as may be required from time to time by ordinance of the Mayor and City Council, subject, however, to the power and authority conferred upon the Chief Engineer by the provisions of this Charter.

BUREAU OF TRANSPORTATION.

There shall be in the Department of Public Works a Bureau of Transportation. The head of this Bureau shall be the Superintendent of Transportation, who shall direct its operation, and who shall perform, subject to the authority of the Chief Engineer, the duties and exercise the powers which are herein imposed or conferred upon the Bureau of Transportation.

The Superintendent of Transportation shall be appointed by the Mayor, with the consent of the City Council, as provided in Section 25 of the Charter of Baltimore City, and hold his office as therein provided.

The Superintendent of Transportation shall have general educational equipment at least equal to that of graduates of high schools. He shall have had at least two years' experience in handling transportation problems.

The Superintendent of Transportation shall be paid such salary as may be provided in the Ordinance of Estimates. He shall appoint such assist-
