

hereof provided that after any such appointment is once made the position shall become subject to all the laws, rules and regulations governing the classified City service, and any subsequent appointment to such position shall be made by the head of the Bureau.

No person in the classified City service employed by any officer, board, commission, department, bureau or other municipal agency, the powers and duties of which are transferred to some other department or bureau by the provisions hereof, shall be deprived of his or her position and classification by the provisions hereof, but all such persons shall be transferred to the new department or bureau established under the provisions hereof. These provisions, however, shall not apply to any person now in the classified service who may be appointed by the Mayor, with the consent of the City Council, as head of a bureau.

G.

No officer, board, commission, department, bureau or other agency of the City Government shall hereafter perform any work or services of the same general character as that assigned or transferred to the Department of Public Works, or any bureau thereof, under the provisions hereof, without special authority therefor granted by the Board of Estimates, or by any ordinance of the Mayor and City Council.

All engineering work, and all work related to water supply, the construction and maintenance of highways, sewers, buildings and structures of every description and character; all work of a mechanical or electrical character; all designing, planning, surveying, testing, and the handling of transportation and hauling equipment shall be performed by the Department of Public Works for all of the other officers, boards, commissions, departments, bureaus or agencies of the City Government, unless otherwise provided by the Board of Estimates or by ordinance of the Mayor and City Council.

Nothing in this paragraph (G) shall be construed to apply to the Board of Park Commissioners.

H.

No expenditure for any new improvement shall be made out of any appropriation in the Ordinance of Estimates from the tax levy or from any loan funds, unless the plans for such improvement are first submitted to and approved by the Board of Estimates.

PART III.

APPROPRIATIONS IN ORDINANCE OF ESTIMATES FOR CONSTRUCTION AND MAINTENANCE WORK AND OTHER OPERATIONS ASSIGNED TO OR PERFORMED BY DEPARTMENT OF PUBLIC WORKS.

Every officer, board, commission, department, bureau or other agency of the City Government shall furnish lists of estimates for annual appro-
