

priations, as required by Section 36 of Article 4 of the Code of Public Local Laws, and by the same section of the Charter of Baltimore; and where any board, commission or other municipal agency is given the custody or control of a fund or funds dedicated to a particular purpose, as, for example, the distribution of the Park Fund by the Park Commissioners (in accordance with the provisions of Section 97 of Article 4 of the Code of Public Local Laws of Maryland, and by the same section of the Charter of Baltimore), such board, commission or other municipal agency may, in its discretion, obtain estimates from the Department of Public Works of the cost of work, materials or supplies which said board, commission or other municipal agency may require during the ensuing fiscal year.

The Department of Public Works shall, on the request of any board, commission or other municipal agency in control of dedicated funds, furnish such materials or supplies and perform such services (incident to the usual operations of said Department of Public Works) as such board, commission or other municipal agency may require, and the cost of such materials, supplies or services shall be billed against such board, commission or other municipal agency, and paid from appropriations out of the dedicated funds.

#### PART IV.

#### GENERAL EFFECTIVE PROVISIONS.

All provisions of the Charter of Baltimore City, Public Local Laws, Ordinances and Resolutions of the Mayor and City Council of Baltimore, or of any municipal board, commission or officer, inconsistent with the provisions hereof be and the same are hereby repealed so far as the same, or any of the same, may conflict or be inconsistent therewith; provided that nothing herein shall affect the Public Improvement Commission, but said Commission shall be, and continue to be, subject to all laws and ordinances governing its creation and existence as have been heretofore, or may be hereafter passed applying to said Commission; or be construed as abridging or limiting the authority of the Commissioner of Health of Baltimore City to make and enforce all rules and regulations necessary for the preservation and maintenance of public health; and provided further, that all municipal officials, employes, boards or commissions holding any office or position in the "Department of Public Works" embraced in this section shall continue to hold, exercise and discharge the duties of their respective offices and positions for the remainder of their respective terms or tenures as existing at the time of the adoption of this amendment, and until they shall be superseded pursuant to the provisions of the Charter of Baltimore City, or until their successors are duly appointed and qualified.\*

\*Sec. 85A proposed as an amendment to the City Charter by Resolution No. 7 of the Mayor and City Council, approved Sept. 7, 1926, and ratified by the voters at the November election, 1926.
