1935, ch. 310, sec. 1.

1. As used in this Article:

“Commission” means the Maryland Milk Control Commission hereby created.

“Person” includes individuals, partnerships, associations and corporations, not excepting cooperative agricultural associations or corporations wheresoever organized.

“Milk” means the lacteal secretion of a dairy animal or animals, and includes such secretion when cooled, pasteurized, standardized, or otherwise processed, with a view to being sold as milk for consumption in fluid form; or for manufacture into any dairy product for human consumption.

“Market” means any municipal corporation or corporations or unincorporated territory in this State, or both, designated by the Commission as a natural marketing area.

“Health Authorities” includes the State Department of Health, the Baltimore City Health Department, and the Health Department of the several counties and incorporated towns in the State.

“Sanitary regulations” includes all laws and ordinances relating to the production, handling, transportation, distribution and sale of milk, and, so far as applicable thereto, the regulations of the several departments and boards referred to under “health authorities.”

“Milk dealer” includes all persons hereinafter defined as distributor, producer-distributor, distributing broker, and all persons conducting a retail store as herein defined.
