

(b) The post office address including street number if any, at which the business is to be conducted.

(c) The market or markets in or in connection with which the business of the applicant is proposed to be conducted.

(d) Facts showing that the applicant has adequate personnel and facilities to properly conduct the business for which a license is sought.

(e) A certificate from the health department of the political sub-division in which the applicant desires to engage in business to the effect that the applicant has complied with and is complying with all applicable sanitary regulations of said health department; but the Commission may require in lieu thereof or in addition thereto the certificate to the same effect of the State Department of Health. Where the applicant proposes to engage in business at more than one plant, or place, separate certificates shall be furnished and may be required for each such plant or place.

(f) A statement showing the number of delivery vehicles which the applicant if granted a license will use.

(g) The license fee or fees required to be paid by this Article.

(h) A schedule of wholesale and retail prices which the applicant is paying and charging for each grade, quantity and class of milk at wholesale and retail, respectively, and in addition thereto the applicant shall in his application consent to the jurisdiction of the Commission in establishing wholesale and retail prices in the market or markets specified in his application.

(C) In the case of each distributor such application shall also include and be accompanied by the following:

(a) Either a bond or the cash equivalent in such amounts as the Commission may prescribe with surety satisfactory to the Commission conditioned for the payment of all obligations to producers within forty-five days after the receipt of milk; and to secure the prompt payment of all other sums properly required by the Commission to be paid; or

(b) A financial statement showing evidence satisfactory to the Commission to the effect that the applicant is of sufficient financial responsibility to insure payment for forty-five days' supply of milk, and to secure the other payments referred to in the preceding paragraph.

(c) A schedule of the prices now paid to producers from whom milk is to be received for sale in each market by the applicant.

(d) A statement as to the number and location of each distributing plant which the applicant, if granted a license, will operate; and if the applicant has been engaged in business, a statement as to the monthly average number of pounds of milk distributed at each such plant during the preceding year, or part thereof, during which he was so engaged; and if the applicant has not been previously engaged in business; an estimate as to such monthly average to be so distributed during the period of the license applied for.

(D) In the case of each person conducting a retail store such application shall also include or be accompanied by a statement as to the number
