(E) In addition to the matters and things required to be included in or to accompany the application for license, provided for by this section, each application shall set forth such other facts and information as the Commission may require in the form of application prescribed by it.

1935, ch. 310, sec. 6.

6. (A) Upon receipt of any application for license, or permit filed pursuant to this Article, the Commission shall examine the same and if it finds such application to be in proper form, shall grant a license or permit as the case may be as applied for subject to the provisions of this section and of section 20 of this Article.

(B) The Commission may decline to grant a license, or may condition and limit the granting of a license, or may suspend or revoke a license, wither<sup>1</sup> on its own motion or upon complaint filed with the Commission in writing by any interested person, when satisfied of the existence of any of the following facts:

(a) That the licensee purchasing milk from a producer has without reasonable cause failed to account and make payment therefor within forty-five days of receipt of milk so purchased.

(b) That the bond or cash equivalent or other evidence of financial responsibility required of an applicant is unsatisfactory.

(c) That the personnel and facilities shown by the application are inadequate to enable the applicant properly to conduct his proposed business, or that such personnel and facilities so shown have not been maintained by the licensee.

(d) That a licensee has repeatedly violated any sanitary regulations.

(e) That the applicant or licensee is or has been wilfully guilty of any violation of any rule or regulation with respect to the marketing of milk adopted and/or approved as authorized by this Article.

(f) That the applicant or licensee has wilfully failed, neglected or refused to comply with this Article or any lawful order, rule or regulation of the Commission.

(g) That licensee, subsequent to receiving his license, has made a general assignment for the benefit of creditors or has been adjudged a bankrupt.

(h) That the licensee has either directly or indirectly by any method or device, whether by a discount or rebate or free service or advertising allowance or a combined price for milk together with another commodity or commodities or service or services or otherwise deviated or attempted to deviate from any prices established pursuant to the provisions of this Article.

(C) The Commission may decline to grant a permit or may condition and limit the granting of a permit, or may suspend or revoke a permit,
