7. Upon each film which has been approved by the Board, there shall be furnished by the Board, the following certificate or statement: "Approved by the Maryland State Board of Censors No....." and the Board shall also furnish a certificate or license in writing to the same effect, which certificate shall be the license for such film unless and until the same shall be revoked by said Board, and said certificate or license shall be exhibited by the holder thereof to any member of the Board or employee thereof upon demand. In the case of motion pictures, such statements shall be shown on the screen to the extent of approximately four (4) feet of film. Upon each film examined and approved by the Board, and upon each duplicate or print thereof, the Board shall stamp, by perforation or otherwise, the serial number and such other initials, words or designs as it may prescribe, the serial number to correspond to the number on the certificate of approval issued by the Board to be shown upon the screen. In the case of slides or views, the Board shall furnish in writing a similar certificate or license and each set of views shall have at least two slides or views shown with a similar statement. Upon satisfactory proof being submitted to the Board that the certificate of approval attached to any film that has been examined and approved by the Board, has been lost, mutilated or destroyed, the Board shall have power in its discretion, and upon payment in advance of the fee prescribed by Section 11 of this Article, to issue a duplicate certificate of approval. Any certificate or license issued as herein provided may be revoked by the Board for any reason which would have justified the Board in refusing to issue such license, or for any violation of law by such applicant in securing such license, or in advertising or using the film or view so licensed. Thereafter any such film may again be submitted to the Board for approval and license.
