

shall not administer, nor dispense nor otherwise use such drugs within this State except within the scope of his employment or official duty and then only for scientific or medicinal purposes and subject to the provisions of this sub-title.

1935, ch. 59, sec. 285F.

336. A pharmacist in good faith, may sell and dispense narcotic drugs to any person upon the written prescription of a physician, dentist or veterinarian, provided it is properly executed, dated and signed by the person prescribing on the day when issued and bears the full name and address of the patient for whom or of the owner of the animal for which, the drug is dispensed, and the full name, address and registry number under the Federal narcotic laws of the person so prescribing if he is required by those laws to be so registered. If the prescription be for an animal, it shall state the species of animal for which the drug is prescribed. A person filling the prescription shall write the date of filling and his own signature on the face of the prescription. The prescription shall be retained on file by the proprietor of the pharmacy in which it is filled for a period of two years so as to be readily accessible for the inspection of any officers engaged in the enforcement of this sub-title. The prescription shall not be refilled.

The legal owner of any stock of narcotic drugs in a pharmacy, upon discontinuance of dealing in said drugs, may sell said stock to a manufacturer, wholesaler, pharmacist or pharmacy owner but only upon an official written order.

A pharmacist only upon an official written order, may sell to a physician, dentist or veterinarian in quantities not exceeding one ounce at any one time, aqueous or oleaginous solutions of which the content of narcotic drugs does not exceed a proportion greater than twenty per centum (20%) of the complete solution, to be used for medicinal purposes.

1935, ch. 59, sec. 285G.

337. A physician or a dentist, in good faith and in the course of his professional practice only, may prescribe on a written prescription, administer or dispense narcotic drugs or may cause the same to be administered by a nurse or interne under his direction and supervision. Such a prescription shall be dated and signed by the person prescribing on the day when issued and shall bear the full name and address of the patient for whom the narcotic drug is prescribed and the full name, address and registry number under the Federal narcotic laws of the person prescribing, providing he is required by those laws to be so registered.

A veterinarian in good faith and in the course of his professional practice only and not for use by a human being, may prescribe on a written prescription, administer and dispense narcotic drugs and he may cause them to be administered by an assistant or orderly under his direction and supervision. Such a prescription shall be dated and signed by the person prescribing on the day when issued and shall bear the full name and address of the owner of the animal, the species of the animal for which the narcotic drug is prescribed and the full name, address and registry number under the Federal narcotic laws of the person prescribing, provided he is required by those laws to be so registered.
