

charged with the duty of sanitary inspection do not show the existence of any infectious, contagious or communicable disease or of any unsanitary conditions in or about said room or apartment. Such statement must further show the results of the inspection of such premises and must be dated and signed in ink by the inspector responsible therefor. If the Commissioner of Labor and Statistics ascertain that such room or apartment is free from infectious, contagious or communicable disease and is in proper sanitary condition he shall grant a license permitting the use of such room or apartment for the purpose of manufacturing and stating the number of persons allowed to work therein. An inspection of each licensed tenement or dwelling house workshop shall be made not less than once in every six months to determine whether or not the conditions under which such license was granted and all laws relating to such premises are being complied with.

No articles shall be manufactured in whole or in part, altered, repaired or finished in any room or apartment of a tenement or dwelling house where there is or has been a case of infectious, contagious or communicable disease until such time as the local department or board of health shall certify to the Commissioner of Labor and Statistics that such disease has terminated and that the room or apartment has been properly disinfected, if disinfection after such disease is required by law or by the rules and regulations of such department or board. No person, firm or corporation shall hire, employ or contract with any person to manufacture in whole or in part, alter, repair or finish any articles in any room or apartment of any tenement or dwelling house unless a license has been issued therefor as aforesaid. No room or apartment in any tenement or dwelling house shall be used for the manufacture in whole or in part, altering, repairing or finishing of any articles except by the immediate members of the family living therein, which shall be limited to a husband and wife, their children or the children of either. No room or apartment in any tenement or dwelling house shall be used for the manufacture in whole or in part, altering, repairing or finishing of any articles unless such room or apartment contain at least five hundred cubic feet of air space for every person working therein.

Nothing contained in this section shall prevent the employment of a tailor or seamstress by any person or family for the purpose of making, altering, repairing or finishing any article of wearing apparel for the use of such person or family. This section shall not apply to any workshop on the main or ground floor of any tenement or dwelling house, which is not used for sleeping or cooking, which has a separate entrance to the street and which is entirely separate from the rest of the building.

An. Code, 1924, sec. 302. 1912, sec. 269. 1904, sec. 246. 1894, ch. 302, sec. 149B.
1914, ch. 779, sec. 246.

372. No person, firm or corporation shall work in, or hire, or employ any person to work in any loft, workshop or factory in any building whatsoever at making in whole or in part any articles of clothing, hats, gloves, furs, feathers, artificial flowers, purses, cigars or cigarettes, without a license therefor from the Commissioner of Labor and Statistics stating the maximum number of persons allowed to be employed therein.

Application for such license shall be made to the chief of the Bureau of Statistics and Information upon blanks to be prepared and furnished by him. Such application shall state the location, street and number of the
