805. The Board of Correction is hereby empowered to adopt special rules applicable to such convicts that are employed upon public work herein authorized and contemplated whereby convicts so employed shall be granted additional good behavior allowance, conditioned upon their good deportment and the cheerful compliance with such rules and regulations as may be made by said Board of Correction or said superintendent for the management and control of the convicts so employed.¹

An. Code, 1924, sec. 719. 1917, ch. 4, sec. 1.

806. All male prisoners confined in the Maryland Penitentiary, the Maryland House of Correction, or any of the County, Town or City Jails, shall be liable to labor upon the State, County and City roads and streets in accordance with the provisions of sections 806 to 813; provided that nothing in said sections shall apply to the Baltimore City Jail, or to the Mayor and City Council of Baltimore, or to the public highways of the City.

An. Code, 1924, sec. 720. 1917, ch. 4, sec. 2.

807. The Governor of this State may from time to time require the Board of Correction to certify to him the number of male prisoners confined in the Maryland Penitentiary and in the Maryland House of Correction, who are physically able to work upon the public roads of the State, or of any county, city or town thereof, and who are available for such work. If the governing body of any town or city other than Baltimore City or the County Commissioners of any county desire the prisoners confined in the jails under their respective jurisdictions to work upon the public roads or streets, then they may, in like manner, certify to the Governor the number of male prisoners confined in the jails under their respective jurisdictions who are physically able to work upon said public roads of the State, or of any county, city or town thereof, and who are available for such work; provided, however, that in Frederick City, the justice of the peace who tried and committed a vagrant or other offender of a municipal law or ordinance is hereby authorized and directed, whenever practicable, to make an assignment of such person to employment on the county roads or on the streets of the city, and the sheriff or other officer into whose custody said person has been committed is hereby ordered to comply with any such order for assignment, and the person ordered to work by the justice of the peace is to be guarded, if he works upon the streets of the city, by the Superintendent of Streets or by any other person deputized by the Sheriff, and if he works upon the roads of the county, then he shall be guarded by the Road Supervisor of the district in which the said person works, and the Sheriff is hereby authorized to deputize for this purpose any of the said officials or other persons to take charge of the said persons while so employed.

An. Code, 1924, sec. 721. 1917, ch. 4, sec. 3.

808. Upon receiving such information the Governor is authorized, from time to time, to assign such and as many of said prisoners to the State Roads Commission as that Commission can profitably employ in the construction, repair or maintenance of any of the public roads and bridges under its jurisdiction, and it shall thereupon be the duty of the State Roads Commission so to employ such prisoners.
