

and under the heading shall be indicated the ward and precinct followed by the statement:

“Any voter of the city on or before the twenty-first day prior to the election may file with the Board of Supervisors of Elections at the Board’s offices located at objections to the registration of any person on this list who, he or she has reason to believe, is not eligible to vote, or a request for the addition to the list of registered voters whose names have been omitted or who have been erroneously dropped from the registration list of the precinct.”

Appended to each precinct list shall be attached the names of the members of the Board and the name of the chief clerk. A sufficient number of such lists, but not to exceed fifty lists of each precinct, may be provided for distribution to such candidates or political parties as shall apply therefor. Not later than twenty-six days before the election the Board shall cause one copy of each such precinct list to be conspicuously posted and displayed at the polling place in each such precinct.

Application for the correction of any such precinct registration list or a challenge of the right to vote of a person named on such list may be made by any qualified voter of the City at the office of the Board not later than twenty-one days prior to the election. Such applications or challenges, with the reasons therefor, shall be filed on forms provided by the Board for that purpose and shall be attested by the oath of such qualified voter.

Two members of the Board, of opposite political parties, shall sit for the purpose of hearing applications for changes in such lists, or challenges of the right to vote of persons on such lists, on the Tuesday two weeks before an election between the hours of 9.00 A. M. and 12.00 M., and between the hours of 1.00 P. M. and 5.00 P. M., and such other hours as such members may fix. If all such applications or challenges be not determined on that day, such members of the Board shall sit during the same hours on succeeding days until all cases are heard and decided. If such members of the Board are unable to hear all such cases within one week from the time when such sessions shall commence, they may appoint one or more Boards of two members each of opposite political parties to aid in hearing such applications or challenges, and may allow such persons not to exceed twelve dollars per day for each day served. Persons whose right to register has been challenged and persons whose names, it is alleged, have been erroneously omitted from the list shall be notified and may appear in person or by counsel. At the request of either party the Board shall issue subpoenas to witnesses to appear at such hearings and such witnesses shall be sworn and examined. All cases shall be heard and decided immediately after hearing. If a board constituted as above provided shall decide that any such person is not entitled to have his or her name on the registration list, his or her name shall be removed therefrom and his or her registration forms cancelled. If a board so constituted shall decide that the name of any such person should appear on such registration list, it shall be added thereto, and his or her registration forms placed in the proper registration files. All such corrections and additions shall be made on a copy of the precinct lists, which shall constitute the poll lists, to be furnished to the respective precincts with other election supplies on the day preceding the election, to be used by the judges in receiving the signatures of voters and in checking against the registration forms.

Any person who shall feel aggrieved by the action of any of the above mentioned boards may, for any of the causes and within the time men-
