1937, ch. 77, sec. 29Q.

58. Whenever the Board of Supervisors of Elections shall determine that any precinct is in need of a detailed check for the purpose of correcting the registration lists of such precinct, it shall deliver to one or more of its clerks a copy or copies of the corrected precinct registration lists of the last preceding election, together with the names and places of residence of any voters, not on the lists, who have registered from the precinct since the precinct lists were prepared. Such lists shall contain the names and places of residence of all voters duly registered in such precinct and shall be so certified by the Board. The Board shall, at the same time, furnish to each of such clerks a sufficient number of change of residence cards on which registrants who have changed their residence may apply to the Board for a transfer of registration, and a sufficient number of information cards to be handed to non-registered voters indicating when and where to register. It shall be the duty of such clerk or clerks to visit the place of residence of every registered voter of his, her or their assigned precinct, and after diligent inquiry, check the names on such registration lists, indicating on the margin: (1) by the word "Present" after the name of each voter all such who still reside at the same address as when the last election was held, (2) by the word "Moved" after the name of each voter who has before the election removed from the precinct, and (3) by the word "Deceased" after the name of each voter who has died. He shall also leave cards with registered voters who have moved into the precinct and information cards with all persons over twenty-one years of age who have not registered, giving information as to where and when to register. Two consecutive weeks shall be allowed for this checking of names. Within five days after the completion of such checking, the said Board shall cause to be mailed to each person before whose name appears the word "Moved" a notification to affirm or deny the change of address by filling in and signing the necessary blank and returning it by mail or to appear at the office of the Board and fill out such blank affirming or denying the change of address and stating the address to which such person shall have moved. Upon the return of such blanks duly filled in with the required information, the Board shall proceed as in other cases of change of address in accordance with the provisions of Section 54 hereof. Failure to return such blanks or make affirmation or denial, within two weeks from the time when such notification shall have been mailed, shall be sufficient cause for the cancellation of the registration of such person, and his original and duplicate registration cards and entry of his name, etc., in the precinct book shall be dealt with as in other cases of cancellation.
