

tificate of nomination. The certificate so made shall be executed and acknowledged in the manner prescribed for the original certificate of nomination and shall, except in the case of a nominee dying, be filed at least ten days before the day of election, and upon being so filed shall have the same force and effect as an original certificate of nomination. When such certificate shall be so filed with the Secretary of State, he shall, in certifying the nomination to the Supervisors of Elections, insert the name of the person who has been thus nominated to fill a vacancy in place of that of the original nominee; and in case he has already sent forth his certificate, he shall forthwith certify to the Supervisors the name and description of the person so nominated to fill a vacancy, the office for which he is nominated, the party or political principle he represents, and the name of the person for whom he is substituted. In the case, however, of any nominee dying within so short a time before the day of election that the certificate of nomination of the new nominee shall not have been filed with or certified to the Supervisors of Elections until ten days before the day of election, thus being too late for the name of the new nominee to be printed on the ballots in any county or the City of Baltimore, as hereinafter provided, the Board of Supervisors of such county or city shall at once cause to be printed a sufficient number of stickers bearing the name of such substitute nominee, and shall deliver the same in due time to the judges of election for all of those precincts in said county or city wherein said nominee may be voted for, and said judges shall affix such stickers in the proper place on each ticket before it is given out to the voter.
