

1939, ch. 62, sec. 32.

32. Each officer, board, commission or department of the State government

(1) Shall make such studies for the Council or for the Director of Research as may be requested and as can be made within the limits of its appropriation, and

(2) Shall report to the Council any recommendation or program, which it expects or intends to present to the General Assembly at its next session and shall supply to the Council any studies or reports in connection with any such matter.

1939, ch. 62, sec. 33.

33. The Council shall meet as often as may be necessary to perform its duties and in any event shall meet at least once every three months, at such place as the Council shall designate. A majority of the entire membership of the Council shall constitute a quorum. No act of the Council shall be valid unless approved by at least eight (8) members. Nothing herein shall prevent any State department from making a supplementary report to the Legislature accompanied by appropriate bill or bills.

1939, ch. 62, sec. 34.

34. The Council shall keep minutes of its meetings and shall make periodic reports to all members of the General Assembly, and keep members fully informed of all matters which may come before the Council, the actions taken thereon, and the progress made in relation thereto. Any member of the General Assembly shall have the right to attend any of the sessions of the Council, and may present his views on any subject which the Council may at any particular time be considering, but he shall not have the right to participate in any decision which the Council may make.

1939, ch. 62, sec. 35.

35. The recommendations of the Council shall be completed and made public, together with the research reports relating thereto, at least thirty days prior to any session of the General Assembly at which such recommendations are to be submitted; and a copy of said recommendations and research reports shall be mailed to each member of the General Assembly, including newly-elected members, to each elective State officer and to the State Library.

1939, ch. 62, sec. 36.

36. The appropriation for the Council, which for budget purposes shall be treated as a Legislative expense, may be expended, in accordance with the budget.

(1) To compensate the members of the Council at the rate of ten dollars for each day spent in attendance at sessions of the Council, or of subcommittees thereof, and actual traveling and hotel expenses incurred while so attending;

(2) To pay to the experts, assistants, stenographers, and other persons and research agencies employed by the Director of Research, such compensation as he shall fix, subject to the approval of the Council.
