

are used as ingredients or reagents in the preparation of any fungicide or insecticide. The term "gypsum" means products consisting chiefly of calcium sulphate.

1935, ch. 512, sec. 108.

123. The statement required by Section 121 shall, in the case of goods sold in package, be plainly printed upon the package, or upon a tag or label fastened thereto, of such quality and in such manner that it shall not be detached in handling, and, in the case of goods sold in bulk, the said statement shall be delivered to the purchaser either with the invoice therefor or with the goods.

1935, ch. 512, sec. 109.

124. Every manufacturer or importer of agricultural liming materials and/or gypsum shall, on or before the first day of January of each year, or before offering them for sale in this Commonwealth, file annually with the State Chemist as appointed by the State Board of Agriculture a statement of the names and number of brands of such materials, that he shall offer for sale during the next ensuing calendar year, or remainder thereof, together with a copy of the statement declaring the composition of these several brands of said materials, as required by Section 121.

1935, ch. 512, sec. 110.

125. In addition to the statement required by Section 124 of this sub-title, every manufacturer or importer of any of the materials covered by Section 121 shall on or before the first day of January of each year, or before offering them for sale within this Commonwealth, file annually with the State Chemist an affidavit showing, as nearly as practicable, the weight of each brand of said materials sold by him, or, if the producer or vendor be a firm or corporation, by its managers, officers, and agents, within the Commonwealth, during the last preceding year; and for each brand so sold he shall pay to the University of Maryland a license fee, according to the weight sold, as follows: For an amount not exceeding one thousand tons, five dollars; for an amount exceeding one thousand tons, but not exceeding five thousand tons, ten dollars; and for an amount exceeding five thousand tons, twenty dollars; and when said fees shall have been paid, and the statements required by Section 124 have been filed with the State Chemist, the party or parties who have made such payment, and otherwise complied with the provisions of this sub-title, shall be entitled to sell within the Commonwealth the goods specified in said statement and covered by said fees during the year, or fraction of a year, immediately following said statement. If the manufacturer or importer shall not have made during the preceding year any sales within the Commonwealth, of the aforesaid material of any brand to be offered for sale during the year for which the fee is to be paid, he shall pay for each such brand a fee of five dollars. Said fees to constitute a fund for the payment of the cost of the inspections, sampling, analysis and other expenses incident to putting into effect the provisions of this sub-title.

1935, ch. 512, sec. 111.

126. Any person or persons selling, offering, or exposing for sale, any of the materials covered by Section 121 or brand of the same, unless accom-
