

An. Code, 1924, sec. 118. 1912, sec. 101. 1918, ch. 200, sec. 101. 1927, ch. 460, sec. 118.

131. Mixtures of alsike and timothy, alsike and white clover, redtop and timothy, alsike and red clover, when sold, offered or exposed for sale as mixtures, and in lots of ten (10) pounds or more shall have affixed thereto, in a conspicuous place on the exterior of the container of such mixture of seeds, a plainly written or printed tag or label in the English language, stating:

A: That such seed is a mixture.

B: The name and approximate percentage by weight of each kind of agricultural seed present in such mixture in excess of five (5) per cent. by weight of the total mixture.

C: The approximate percentage by weight of weed seeds as defined in Section 130C.

D: The name of each kind of the seeds or bulblets of the noxious weeds listed in Section 130D, which seeds or bulblets are present singly or collectively in excess of one seed or bulblet in each fifteen (15) grams of such mixture.

E: The approximate percentage of germination of each kind of agricultural seed present in such mixture in excess of five (5) per cent. by weight, together with the month and year said seed was tested; provided further that the State Board of Agriculture shall be empowered to test and publish the results of such tests as herein provided, together with the month and year such test was made by said Board, together with the percentage of germination and date of test as shown on tag or label.

It shall be permissible for the local merchant or distributor of seed in this state to adopt and use the Analysis furnished by the original seller, and for all intents and purposes the requirements of this section shall be considered as complied with in cases where the said local dealer or distributor permits the Analysis Tag of the original seller to remain attached to the proper container of such seed, so long as it is in his possession, for a period not to exceed three months from date of delivery, after which time it shall be the duty of the said local dealer or distributor to attach his or their own Analysis Tag and remove therefrom the Analysis Tag of the original shipper, provided, however, that nothing herein shall be construed as relieving the local dealer or distributor from full responsibility for the accuracy of the Analysis under which said seed is sold.

F: The full name and address of the person, firm or corporation assuming the responsibility, under the conditions of this sub-title, for the information placed on the tags or labels as required by this Section.

An. Code, 1924, sec. 119. 1912, sec. 102. 1918, ch. 200, sec. 102.

132. Special mixtures of agricultural seeds, except as specified in Section 131 of this sub-title, when sold, offered or exposed for sale as mixtures in bulk, packages or other containers of eight ounces or more shall have affixed thereto in a conspicuous place on the exterior of the container of such mixture a plainly written or printed tag or label in the English language, stating:

A: That such seed is a mixture.

B: The name of each kind of agricultural seed which is present in proportion of five (5) percent or more of the total mixture.

C: The approximate total percentage by weight of weed seeds as defined in Section 130C of this sub-title.
