

a reasonable time. The Commission shall make a report of its activities to the General Assembly of 1939, and shall include therein a report of any study of higher education for negroes, and the State's relation thereto, that, in its discretion, the Commission may make; and especially shall the Commission consider the desirability and possibility of Morgan College becoming a State-owned College for Negroes, or whether it would be more practicable for said College to remain under its present control with the State continuing to grant substantial aid under an agreement that it would carry on certain educational work for the State. The Commission is hereby authorized to confer with the Board of Trustees of Morgan College in order that it may present in its report recommendations as to the most practicable and desirable way of integrating Morgan College with the State's system of higher education for Negroes.

1937, ch. 506, sec. 8.

8. The appropriation of sixty thousand dollars (\$60,000) provided in the 1938-1939 Budget for Morgan College, and all sums hereafter appropriated to such institution, shall be used for the purpose of providing for negroes both undergraduate education in the Arts and Sciences and education in the field of graduate studies.

1937, ch. 506, sec. 9.

9. All funds now or hereafter appropriated to Princess Anne College shall be used for the purpose of conducting there a four-year college or institute of agriculture and the mechanical arts, including home economics and two years of basic work in the arts and sciences.

1937, ch. 506, sec. 10.

10. As far as possible, consistent with the funds appropriated, Morgan and Princess Anne Colleges in their respective fields, shall offer such instruction as will provide competent teachers for the negro high schools of the State.¹

¹ Sec. 11 of ch. 506 of acts of 1937 repealed all acts inconsistent therewith.
