

and wings of any motor vehicle any glass other than such glass as is required by this Sub-section (4).

(5) The Commissioner of Motor Vehicles shall compile, maintain and publish a list of types of glass by name approved by him as conforming to the specifications and requirements for safety glass as hereinafter set forth and defined in Sub-section (7) of this Section 195 and shall not register any motor vehicle which is subject to the provisions of this Section 195 unless such motor vehicle is equipped as herein provided with an approved type of safety glass and shall suspend the registration of any motor vehicle so subject to this Section 195 which the Commissioner of Motor Vehicles shall find is not so equipped until it is made to conform to the requirements of this Section 195.

(6) The owner and operator of any motor vehicle operated in violation of the provisions of Sub-sections (1) and (2) of this Section 195, any person selling any motor vehicle in violation of the provisions of Sub-section (3) of this Section 195, and any person having glass replaced and any person installing glass in any motor vehicle in violation of the provisions of Sub-section (4) of this Section 195 shall be guilty of a misdemeanor and upon conviction shall be punishable by a fine of Five Dollars (\$5) to Fifty Dollars (\$50), or by imprisonment not to exceed one (1) year, or by both. In case of the violation of any provision or provisions of this Section 195 by any common carrier or person operating under a permit issued by the Public Service Commission of Maryland, said permit shall either be revoked, or, in the discretion of said Commission, suspended until said provision or provisions are complied with to the satisfaction of said Commission.

(7) The term "safety" glass, as used in this Section 195 shall be construed to mean and include any product composed of glass, so manufactured, fabricated or treated as substantially to prevent shattering and flying of the glass when struck or broken. The word "person," as used in this Section 195, shall mean and include natural persons, associations, partnerships and corporations.

Speed, Size, Weight, Construction and Equipment of Motor Vehicles.

An. Code, 1924, sec. 194. 1912, sec. 149. 1916, ch. 687. 1918, ch. 85, sec. 149. 1920, ch. 506, sec. 149. 1927, ch. 520, sec. 194. 1933, ch. 281, sec. 194. 1935, chs. 72, 87. 1936 (Sp. Sess.), ch. 142. 1937, ch. 264. 1939, ch. 273.

196. (1) (General Provisions.) No person shall operate a motor vehicle of any kind, as defined in this sub-title, over any public highway of the State recklessly or at a rate of speed greater than is reasonable and proper, having regard to the width, traffic and use of the highway, or so as to endanger the property and life or limb of any person, or without due regard to wear upon said highway, so as not unnecessarily or unreasonably to damage the same provided that nothing contained in this sub-section shall apply to the owner or operator of any traction engine used exclusively for propelling agricultural or farming implements not designed for hauling purposes on account of its driving wheels being equipped with standard cleats.

(2) (Speed of Solid Tire Motor Vehicles, and Size, Weight, Construction and Equipment of Motor Vehicles.) The maximum rate of speed for motor vehicles, equipped wholly or in part with solid tires, weighing six tons or less, shall be twenty-five miles per hour. The maximum rate of speed for motor vehicles, equipped wholly or in part with solid tires,
