

school, in equal quarterly instalments, at the time when the general State school fund is distributed, as provided for in this Article. One-half of said appropriation shall be used for the support of one colored industrial school in the county and one-half shall be used by the county board of education of the county where said industrial school is located for the salary of a capable and trained colored supervisor of colored schools, who shall be required to visit, under the direction of the county superintendent, all the colored schools of the county as often as the county superintendent may direct, and shall cause instruction of an industrial character to be made a daily part of the work of every colored school. The County Board of Education in the county where such school is located shall pay the traveling expenses of the supervisor not less than the sum of one hundred and fifty dollars (\$150) annually, and may pay any additional amount for such purpose as it may deem necessary. The management and control of such an industrial school and the employment of a supervisor shall, subject to the provisions of this Article, be in the hands of the county board of education of the county where such school is located.

An. Code, 1924, sec. 214. 1912, sec. 145. 1904, sec. 143. 1898, ch. 273, sec. 9. 1910, ch. 210, sec. 143 (p. 233). 1916, ch. 506, sec. 145.

206. No appropriation for the full amount of fifteen hundred dollars, authorized by the preceding section for the support of one central colored industrial school and for the employment of a colored school supervisor in such county where the colored industrial school may be located, shall be paid as authorized after the first annual appropriation, unless said colored industrial school shall have had for the preceding year an average attendance of thirty pupils and as many as ten colored schools in the county where such industrial school is located. If in any county where there are less than ten colored schools, a colored industrial school shall be established, the state superintendent of schools, in his discretion, may recommend the payment of a part of said appropriation, not to exceed one-half the amount, or seven hundred and fifty dollars; and when such recommendation is made to the comptroller, he is authorized and directed to issue his warrant upon the treasurer of the State for said amount, payable to the order of the treasurer of the county board of education.

1933, ch. 234.

207. The funds for residence education now received by the University of Maryland from the Government of the United States under the Morrill Act, now amounting to \$50,000 per year, shall be divided on the basis of the population of the State of Maryland as shown by the latest census, so that a percentum of these funds equal to the percentum of the negro population to the whole population of the State, shall be expended by the Comptroller of the State, upon recommendation of the Regents of the University of Maryland, for the benefit and in the interests of the Princess Anne Academy.

The Board of Regents of the University of Maryland may allocate such part of the state appropriation for Princess Anne Academy or other funds of the Academy as may be by it deemed advisable, to establish partial scholarships at Morgan College or at institutions outside of the State of Maryland, for negro students who may apply for such privileges, and who may, by adequate tests, be proved worthy to take professional courses or
