

103. The said president shall report to the board of school commissioners, a catalogue of the names of all persons who shall have attended such institute, together with such other information as may be of interest.

STATE NORMAL SCHOOL.

104. There shall be located in the city of Baltimore, until the Board of Education otherwise direct, a State Normal School for the instruction and practice of teachers of public schools, in the science of education, and the art of teaching and the mode of governing schools.

105. The sessions of the State Normal School shall be held in such suitable building as may be provided by the Mayor and City Council of Baltimore, or they declining so to do, in such building as the State Superintendent may select, the rent being charged among the incidental expenses.

106. The Faculty of the Normal School shall consist of two male and two female Professors, appointed by the State Board of Education, and to have such salaries and perform such duties as they may direct.

107. There shall be in each year two sessions of the school, the first session commencing September fifteenth, eighteen hundred and sixty-five, and ending December the twentieth; the second, commencing January the fifth, eighteen hundred and sixty-six, and ending April the fifth, and so on for each and every year, until otherwise ordered.

108. The number of students shall not exceed two hundred and fifty of both sexes, males being not younger than seventeen years, and females not younger than sixteen years, to be appointed as follows: Two for each member of House of Delegates, and one for each Senator, to be selected from the respective counties and the city of Baltimore, by the board of school commissioners, whom the said board shall certify they have examined and approved as possessed of the qualifications re-
