What wood to be inspected.

Inspector's pay

121. All fire wood landed and sold within the limits before described in section first of this act, shall be at least four feet in length, including one-half of the kerf, and shall be set up, packed and corded, that every cord of wood shall be eight feet in length, four feet in breadth and four feet high, well stowed and packed, and when the wood exceeds or falls short of four feet in length, including half the kerf, the cord shall be proportionally increased or diminished, so as to make the quantity of each cord as nearly equal as possible; and if the vender or purchaser refuse to have said fire wood so inspected and corded, or shall alter the measurement thereof, or shall sell the same by any other measurement; or if any person or persons shall knowingly purchase or receive any fire wood which has not been passed by the inspector aforesaid, he shall forfeit and pay the sum of two dollars per cord, and so in proportion for a less quantity of wood so sold and delivered by him or them, to be recovered in the name of the state, one-half to the use of the informer, the other half to the state, before a justice of the peace, in the same manner as small debts are now recoverable by law.
