

in the preceding section, to proceed to the selection of proper locations for the propagation and culture of such food fishes as it shall be deemed desirable to introduce into the waters of this State, and obtain the necessary ova, and construct and erect suitable houses and devices for hatching the same, and protecting the small fish, until fit to be distributed, and then to distribute the same among such waters of this State as shall be deemed proper.

1876, c. 47.
To make annual report to governor.

68. It shall be the duty of said commissioners to make an annual report to the governor of the work accomplished by the commission, and also embracing such suggestions for the protection and propagation of food fishes in the waters of this State, as may be the result of their observation and experience, which report the governor shall cause to be printed, and transmit the same to the General Assembly of the State.

1874, c. 150.
Salaries.

69. The salaries of said commissioners shall be fifteen hundred dollars per annum each, and the sum of three thousand dollars per annum, is hereby appropriated to pay the said salaries.

1876, c. 47.
Appropriation.

70. The sum of ten thousand dollars per annum, or so much thereof as may in the opinion of the governor be necessary, is hereby appropriated for the purpose of carrying out the provisions of this act, and the comptroller shall issue his warrant on the treasurer for the payment of the said sum on requisitions of the said commissioners in such amounts as they may require, approved by the governor, out of any moneys in the treasury not otherwise appropriated.
